SOFTWARE DEVELOPER

Experienced React developer with a strong background in building efficient and user- friendly web applications. Proficient in React.js, JavaScript, HTML, and CSS, as well as experience with Redux and other technologies. Skilled in agile development methodologies, version control (Git), and unit testing/debugging. Proven track record of delivering high quality react applications

SKILLS

React · Redux · HTML · CSS	Mongo DB · MySQL · Express	Debugging · responsive design
Bootstrap · Node + npm · Jsx	Firebase · jQuery · AJAX · Git	Material UI · Core UI · ESLint
JavaScript Fundamentals + ES6	GitHub · Postman · TypeScript	Tailwind CSS · Visual Studio Code

PROFESSIONAL EXPERIENCE

Frugal Scientific Pvt. Ltd   **May 2023 - Sept 2024**
Software Developer

- Built and maintained dynamic, responsive web applications using React.js, ensuring compatibility across various devices and browsers.
- Implemented user interfaces with React Core UI components to deliver consistent and efficient user experiences.
- Integrated React Redux extensively to manage global application state, ensuring streamlined data flow and component interaction.
- Utilized React Material-UI to design visually appealing interfaces following modern design principles.
- Troubleshooted and resolved software issues to ensure uninterrupted operations for platforms like SmarterHomes and Torus.
- Consistently met project deadlines while contributing to the successful development and delivery of robust solutions.

Full Stack Developer Academy   **Dec 2022 - May 2023**
Front End Developer Intern

- Utilized HTML, CSS, Bootstrap, and JavaScript to create visually appealing and responsive web applications.
- Designed dynamic user interfaces with precision and interactivity to ensure a seamless user experience.
- Applied ES6+ features to write clean and efficient JavaScript code, leveraging modern language capabilities.
- Developed robust back-end services using Node.js and Express, creating RESTful APIs for handling CRUD (Create, Read, Update, Delete) operations.
- Managed application data with databases like MongoDB and MySQL, implementing efficient querying and indexing strategies.

EDUCATION

Bachelor of Technology
Jyothi Engineering College
